

Small Exchange 2023 DR Test

Overview/Registration

On October 14, 2023, the Futures Industry Association (FIA) will conduct its annual Disaster Recovery Test, in which the Small Exchange will participate. Although the Disaster Recovery (DR) Test is optional, we strongly encourage our members and participants to participate. The test connectivity and activity will occur in the Small Exchange's disaster recovery site at Equinix NY2. To take part in the Small Exchange DR Test, you will need to register with the FIA using the link below and to select "Small Exchange".

Test Schedule

The expected test schedule on October 14th will be as follows (times in Central Time):

- 9:00 AM:** Pre-open
- 9:30 AM:** Mock trading session begins
- 12:00 PM:** Mock trading session closes

Test Activities

All production symbols will be available for order entry during this mock trading session. Test participants who have completed pre-testing will be allowed to connect, submit orders, and receive market data for the duration of the test. The trade date for all transactions and on all exchange messages will be the actual test date, October 14, 2023. The following scenarios will be tested and verified during the DR test:

- Pre-Open
- Market open
- Trade Activity
- Market data dissemination
- Clearing
- Daily settlement price dissemination
