Dear Sirs,

FIA Europe netting opinion issued in relation to the FOA Netting Agreement

You have asked us to give an opinion in respect of the laws of Peru ("this jurisdiction") in respect of the enforceability and validity of the FOA Netting Provision contained in a FOA Netting Agreement or a Clearing Agreement.

We understand that your fundamental requirement is for the enforceability of the FOA Netting Provision to be substantiated by a written and reasoned opinion. Our opinions on the enforceability of the FOA Netting Provision is given in paragraph 3 of this opinion letter.

Further, this opinion letter covers the enforceability of the FOA Set-Off Provisions, the Clearing Module Set-Off Provision and the Title Transfer Provisions.

1. TERMS OF REFERENCE AND DEFINITIONS

1.1 Subject as provided at paragraph 1.2, this opinion is given in respect of:

- 1.1.1 banks and financial institutions incorporated under or currently governed by Law 26702;
- 1.1.2 insurance companies and reinsurance incorporated under or currently governed by Law 26702; and
- 1.1.3 branches of foreign banks, which are operating in Peru under Law 26702.

1.2 This opinion is also given in respect of Parties that are any of the following, subject to the terms of reference, definitions, modifications and additional assumptions and qualifications set out in the Schedule to this opinion applicable to that type of entity:

- 1.2.1 Companies/Corporations or Partnerships incorporated under or currently governed by Law No 26887 (Schedule 1);

- 1.2.3 Individuals (Schedule 3);
- 1.2.4 Funds organised as investment funds incorporated under or currently governed by Law of Investment Funds and Administrators approved by Legislative Decree No. 862 (Schedule 4);
- 1.2.5 Funds organised as mutual funds incorporated under or currently governed by Unified Text of the Securities Market Act approved by Supreme Decree No.093-2002-EF 862 (Schedule 5);
- 1.2.6 Sovereign and public sector entities (Schedule 6);
- 1.2.7 Pension Funds incorporated under Private Pension System Act passed by Supreme Decree No. 054-97-EF. (Schedule 7);

- 1.2.9 Trusts incorporated under or currently governed by Law No 26702 (Schedule 9); and,
- 1.2.10 Charitable trusts organised under or currently governed by Law No 26702 (Schedule 10).

1.3 This opinion is given in respect of the FOA Netting Agreement and the Clearing Agreement when the FOA Netting Agreement and the Clearing Agreement are expressed to be governed by English law.

1.4 This opinion covers all Transactions.

1.5 This opinion is given in respect of only such of those Transactions which are capable, under their governing laws, of being terminated and liquidated in accordance with the FOA Netting Provision.

1.6 The opinions set out in paragraphs 3.7 and 3.8 are given only in relation to Margin which is located outside this jurisdiction.

1.7 A person incorporated or organised in this jurisdiction may be a Party to a Clearing Agreement only in the capacity of "Client" (as defined in the FOA Clearing Module or the ISDA/FOA Clearing Addendum). Our opinion does not apply in respect of a person incorporated or organised in this jurisdiction who is Party to a Clearing Agreement as "Firm" (as defined in the FOA Clearing Module) or "Clearing Member" (as defined in the ISDA/FOA Clearing Addendum).

1.8 In this opinion, references to the word "**enforceable**" and cognate terms are used to refer to the ability of a Party to exercise its contractual rights in accordance with their terms and without risk of successful challenge. We do not opine on the availability of any judicial remedy.

1.9 A reference in this opinion to a Transaction is a reference, in relation to the FOA Netting Agreement to a Transaction (as defined therein) and, in relation to FOA Clearing Module and ISDA/FOA Clearing Addendum to a Client Transaction (as defined therein).

1.10 **Definitions**

Terms used in this opinion letter and not otherwise defined herein shall have the meanings ascribed to them in the FOA Netting Agreement or the Clearing Agreement, unless the context specifies otherwise. Where, in a FOA Netting Agreement or, as the case may be, a Clearing Agreement, a defined term has been changed but the changed term bears the same meaning as a term defined in a FOA Published Form Agreement or this opinion letter, this opinion letter may be read as if terms used herein were the terms as so changed.

- 1.10.1 "**Insolvency Proceedings**" means the procedures listed in paragraph 3.1;
- 1.10.2 "**Insolvency Representative**" means a liquidator, administrator, receiver or analogous or equivalent official in this jurisdiction; and
- 1.10.3 A reference to a "**paragraph**" is to a paragraph of this opinion letter.
- 1.10.4 Annex 3 contains further definitions of terms relating to the FOA Netting Agreement and the Clearing Agreement.

2. **ASSUMPTIONS**

We assume:

- 2.1 That no provision of the FOA Netting Agreement or Clearing Agreement that is necessary for the giving of our opinions and advice in this opinion letter has been altered in any material respect, including by reason of a Mandatory CCP Provision. In our view, an alteration contemplated in Part 2 (Non-material Amendments) of Annex 4 hereto would not constitute a material alteration for this purpose unless the alteration has been set out by us in Section 5 of Annex 5. We express no view whether an alteration not contemplated in Part 2 (Non-material Amendments) of Annex 4 would or would not constitute a material alteration. .
- 2.2 That the FOA Netting Agreement or, as the case may be, the Clearing Agreement, and the Transactions or, as the case may be the Firm/CCP Transactions and CM/CCP Transactions are legal, valid, binding and enforceable against both Parties under their governing laws.
- 2.3 That each Party has the capacity, power and authority under all applicable law(s) to enter into the FOA Netting Agreement or, as the case may be, the Clearing Agreement, and the Transactions; to perform its obligations under the FOA Netting Agreement or, as the case may be, the Clearing Agreement, and the Transactions; and that each Party

has taken all necessary steps to execute, deliver and perform the FOA Netting Agreement or, as the case may be, the Clearing Agreement.

- 2.4 That each Party has obtained, complied with the terms of and maintained all authorizations, approvals, licences and consents required to enable it lawfully to enter into and perform its obligations under the FOA Netting Agreement or, as the case may be, the Clearing Agreement, and the Transactions and to ensure the legality, validity, enforceability or admissibility in evidence of the FOA Netting Agreement or, as the case may be, the Clearing Agreement in this jurisdiction.
- 2.5 That the FOA Netting Agreement or, as the case may be, the Clearing Agreement is entered into prior to the commencement of any insolvency proceedings under the laws of any jurisdiction against either Party.
- 2.6 That no provision of the FOA Netting Agreement or, as the case may be, the Clearing Agreement, or a document of which the FOA Netting Agreement or, as the case may be, the Clearing Agreement forms part, or any other arrangement between the Parties, or any Mandatory CCP Provision, constitutes an Adverse Amendment.
- 2.7 The FOA Netting Agreement or, as the case may be, the Clearing Agreement has been entered into, and each of the Transactions referred to therein is carried out, by each of the parties thereto in good faith, for the benefit of each of them respectively, on arms' length commercial terms and for the purpose of carrying on, and by way of, their respective businesses.
- 2.8 That the FOA Netting Agreement or, as the case may be, the Clearing Agreement accurately reflects the true intentions of each Party.
- 2.9 That each Party, when transferring Margin pursuant to the Title Transfer Provisions has effectively transferred all right title and interest in the Margin according to the laws of the jurisdiction where the Margin is located.

3. **OPINION**

On the basis of the foregoing terms of reference and assumptions and subject to the qualifications set out in paragraph 4 below, we are of the following opinion.

3.1 **Insolvency Proceedings**

The only bankruptcy, composition, rehabilitation (e.g. liquidation, administration, receivership or voluntary arrangement) or other insolvency laws and procedures to which a Party would be subject in this jurisdiction are the following: Law 26702 and SBS Resolution No. 0455-1999, which regulate the insolvency and liquidation process of banks, financial institutions, insurance companies and reinsurance companies and branches of foreign banks that are operating in this jurisdiction under Law 26702.

We confirm that the events specified in the Insolvency Events of Default Clause adequately refer to all Insolvency Proceedings, without the need for any additions.

3.2 **Recognition of choice of law**

- 3.2.1 The choice of English law to govern the FOA Netting Agreement or, as the case may be, the Clearing Agreement will be recognised in this jurisdiction even if neither Party is incorporated or established in England.
- 3.2.2 An Insolvency Representative or court in this jurisdiction would have regard to English law, as appropriate, as the governing law of the FOA Netting Agreement or, as the case may be, of the Clearing Agreement, in determining the contractual validity of the (i) FOA Netting Provision and the FOA Set-Off Provisions or, as the case may be, of the Clearing Module Set-Off Provision, and (ii) the Title Transfer Provisions.

3.3 **Enforceability of FOA Netting Provision**

In relation to a FOA Netting Agreement and in relation to a Clearing Agreement where the Client is a Defaulting Party, the FOA Netting Provision will be immediately (and without fulfilment of any further conditions) enforceable in accordance with its terms so that, following an Event of Default, including as a result of the opening of any Insolvency Proceedings:

- (a) the Non-Defaulting Party would be entitled immediately to exercise its rights under the FOA Netting Provision; and
- (b) the Non-Defaulting Party would be entitled to receive or obliged to pay only the net sum of the positive and negative mark-to-market values of individual Transactions.

We are of this opinion because:

Netting is generally an accepted means of payment under Peruvian Law. According to article 1288 of the Peruvian Civil Code, netting is an enforceable means of payment unless parties expressly agree to limit it or exclude its application. Accordingly, parties to a contract may expressly agree to net their reciprocal obligations upon the occurrence of an event of default.

Notwithstanding the above, netting may be subject to limitations when any of the parties is subject to Insolvency Proceeding. Article 116 of Law 26702 establishes that upon the commencement of Insolvency Proceedings it is generally prohibited to obtain payments from the insolvent bank or insurance companies, even by netting reciprocal obligations.

However, item 4 of Article 116 of Law 26702, expressly provides an exception to the stay imposed upon the commencement of Insolvency Proceedings, allowing FOA Netting Provisions to be enforceable as long as certain conditions (which are further described in paragraphs 4.1.3, 4.1.4 and 4.1.5) are satisfied.

Further, there is no rule of the laws of this jurisdiction which would impose a moratorium or stay which would prevent, delay or otherwise affect the exercise of such rights by the Non-Defaulting Party.

No amendments to the FOA Netting Provision are necessary in order for the opinions expressed in this paragraph 3.3 to apply.

3.4 Use of FOA Clearing Module or ISDA/FOA Clearing Addendum not detrimental to FOA Netting Provision

In relation to a Clearing Agreement, the opinions expressed at paragraph 3.3 above in relation to the FOA Netting Provision are not affected by the use of the FOA Clearing Module or the ISDA/FOA Clearing Addendum in conjunction with the FOA Netting Agreement. In a case where a Party, who would (but for the use of the FOA Clearing Module or the ISDA/FOA Clearing Agreement) be the Defaulting Party for the purposes of the FOA Netting Agreement, acts as Firm (as defined in the FOA Clearing Module) or Clearing Member (as defined in the ISDA/FOA Clearing Addendum), the question as to whether the FOA Netting Provision will, to the extent inconsistent with the Clearing Module Netting Provision or, as the case may be, the Addendum Netting Provision, be superseded by the Clearing Module Netting Provision or, as the case may be, the Addendum Netting Provision would be determined under the governing law of the Clearing Agreement.

3.5 Enforceability of the FOA Set-Off Provisions

3.5.1 In relation to a FOA Netting Agreement which includes the FOA Set-Off Provisions, the FOA Set-Off Provisions will be immediately (and without fulfilment of any further conditions) enforceable in accordance with their terms, so that following an Event of Default, the Non-Defaulting Party would be immediately entitled to exercise its rights under either or both of the FOA Set-Off Provisions, and in particular so that, upon the exercise of such rights:

- (a) where the FOA Set-Off Provisions include the General Set-Off Clause:
 - (i) the value of any cash balance owed by the Non-Defaulting Party to the Defaulting Party would be set off against the Liquidation Amount (where such Liquidation Amount is owed by the Defaulting Party); or
 - (ii) the value of any cash balance owed by the Defaulting Party to the Non-Defaulting Party would be set off against the Liquidation Amount (where such Liquidation Amount is owed by the Non-Defaulting Party); or
- (b) where the FOA Set-Off Provisions comprise the Margin Cash Set-Off Clause only, the value of any cash margin owed by the Firm to the Client would be set-off against the Liquidation Amount (where such Liquidation Amount is owed by the Client).

We are of this opinion because:

Set-off is generally an accepted means of payment under Peruvian Law. According to article 132 of Law 26702, banks are generally allowed to set-off any amounts they hold in the accounts to net against any claims they may have against the depositor. Peruvian banks and insurance companies customarily accept set-off as a means for paying their own obligations. Accordingly, parties to a contract may expressly accept set-off upon the occurrence of an event of default.

Notwithstanding the above, set-offs may be subject to limitations when any of the parties is subject to Insolvency Proceeding. Article 116 of Law 26702 establishes that upon the commencement of Insolvency Proceedings it is generally prohibited to obtain payments from the insolvent bank or insurance companies, even by setting – off in its accounts.

However, item 4 of Article 116 of Law 26702, expressly provides an exception to the stay imposed upon the commencement of Insolvency Proceedings, allowing FOA Set-Off Provisions to be enforceable as long as certain conditions (which are further described in paragraphs 4.1.3, 4.1.4 and 4.1.5 are satisfied). According to an amendment to the aforementioned legal provision (dated June 27, 2013), the set - off shall include cash margins.

No amendments to the General Set-Off Clause and the Margin Cash Set-Off Clause are necessary in order for the opinions expressed in this paragraph 3.5.1 to apply.

3.5.2 In relation to a Clearing Agreement which includes the FOA Set-Off Provisions and the Clearing Module Set-Off Provision and/or the Addendum Set-Off Provision (and in which the FOA Set-Off Provisions are not Disapplied Set-Off Provisions), the FOA Set-Off Provisions will be immediately (and without fulfilment of any further conditions) enforceable in accordance with their terms, so that following an Event of Default in respect of the Client, the Firm or, as the case may be, the Clearing Member would (to the extent that set-off is not already covered by the Clearing Module Set-Off Provision and/or the Addendum Set-Off Provision) be immediately entitled to exercise its rights under either or both of the FOA Set-Off Provisions, and in particular so that, upon the exercise of such rights:

- (a) where the FOA Set-Off Provisions includes the General Set-Off Clause:
 - (i) the value of any cash balance owed by the Firm or, as the case may be, the Clearing Member to the Client would be set off against the Liquidation Amount (where such Liquidation Amount is owed by the Client); or
 - (ii) the value of any cash balance owed by the Client to the Firm or, as the case may be, the Clearing Member would be set off against the Liquidation Amount (where such Liquidation Amount is owed by the Firm or, as the case may be, the Clearing Member); or
- (b) where the FOA Set-Off Provisions comprise the Margin Cash Set-Off Clause only, the value of any cash margin owed by the Firm or, as the case may be, the Clearing Member to the Client would be set-off against the Liquidation Amount (where such Liquidation Amount is owed by the Client).

We are of this opinion because:

Set-off is generally an accepted means of payment under Peruvian Law. According to article 132 of Law 26702, banks are generally allowed to set-off any amounts they hold in the accounts to net against any claims they may have against the depositor. Peruvian banks and insurance companies customarily accept set-off as a means for paying their own obligations. Accordingly, parties to a contract may expressly accept set-off upon the occurrence of an event of default.

Notwithstanding the above, set-offs may be subject to limitations when any of the parties is subject to Insolvency Proceeding. Article 116 of Law 26702 establishes that upon the commencement of Insolvency Proceedings it is generally prohibited to obtain payments from the insolvent bank or insurance companies, even by setting – off in its accounts.

However, item 4 of Article 116 of Law 26702, expressly provides an exception to the stay imposed upon the commencement of Insolvency Proceedings, allowing FOA Set-Off Provisions to be enforceable as long as certain conditions (which are further described in paragraphs 4.1.3, 4.1.4 and 4.1.5 are satisfied). According to an amendment to the aforementioned legal provision (dated June 27, 2013), the set - off shall include cash margins.

No amendments to the General Set-Off Clause and the Margin Cash Set-Off Clause are necessary in order for the opinions expressed in this paragraph 3.5.2 to apply.

3.6 Set-Off under a Clearing Agreement with a Clearing Module Set-Off Provision

In relation to a Clearing Agreement which includes the Clearing Module Set-Off Provision (whether or not the FOA Set-Off Provisions are Disapplied Set-Off Provisions, insofar as constituting part of the Clearing Agreement), the Clearing Module Set-Off Provision will be immediately (and without fulfilment of any further conditions) enforceable in accordance with its terms so that the Firm would be immediately entitled to exercise its rights under the Clearing Module Set-Off Provision, and in particular, if there has been an Event of Default in respect of the Client or a CCP Default, so that the value of any cash balance owed by one Party to the other would be set off against any Available Termination Amount owed by the Party entitled to receive the cash balance, insofar as not already brought into account as part of the Relevant Collateral Value.

We are of this opinion because:

Set-off is generally an accepted means of payment under Peruvian Law. According to article 132 of Law 26702, banks are generally allowed to set-off any amounts they hold in the accounts to net against any claims they may have against the depositor. Peruvian banks and insurance companies customarily accept set-off as a means for paying their own obligations. Accordingly, parties to a contract may expressly accept set-off upon the occurrence of an event of default.

Notwithstanding the above, set-offs may be subject to limitations when any of the parties is subject to Insolvency Proceeding. Article 116 of Law 26702 establishes that upon the commencement of Insolvency Proceedings it is generally prohibited to

obtain payments from the insolvent bank or insurance companies, even by setting – off in its accounts.

However, item 4 of Article 116 of Law 26702, expressly provides an exception to the stay imposed upon the commencement of Insolvency Proceedings, allowing Clearing Module Set-Off Provision to be enforceable as long as certain conditions (which are further described in paragraphs 4.1.3, 4.1.4 and 4.1.5 are satisfied). According to an amendment to the aforementioned legal provision (dated June 27, 2013), the set - off shall include cash margins.

No amendments to the Clearing Module Set-Off Provision are necessary in order for the opinions expressed in this paragraph 3.6 to apply.

3.7 **Enforceability of the Title Transfer Provisions**

- 3.7.1 In relation to a FOA Netting Agreement (with Title Transfer Provisions) and in relation to a Clearing Agreement which includes the Title Transfer Provisions where the Client is a Defaulting Party, following the specification or deemed occurrence of a Liquidation Date, the Non-Defaulting Party would be immediately (and without fulfilment of any further condition) entitled to exercise its rights under the Title Transfer Provisions, so that the Default Margin Amount (as calculated pursuant to the terms of the Title Transfer Provisions) would be taken into account for the purposes of calculating the Liquidation Amount pursuant to the FOA Netting Provision.
- 3.7.2 The questions in relation to the FOA Netting Agreement (with Title Transfer Provisions) or a Clearing Agreement which includes the Title Transfer Provisions, (x) whether Transfers of Margin would be characterised as outright transfers of title or creating a security or other interest, and (y) whether Margin Transferred may be used without restriction, would, under the conflicts of laws rules of this jurisdiction, be determined by reference to the governing law of the FOA Netting Agreement (with Title Transfer Provisions) and a Clearing Agreement which includes the Title Transfer Provisions, and/or by reference to the governing law of the place where the Margin is located.

We are of this opinion because:

Netting is generally an accepted means of payment under Peruvian Law. According to article 1288 of the Peruvian Civil Code, netting is an enforceable means of payment unless parties expressly agree to limit it or exclude its application. Accordingly, parties to a contract may expressly agree to net their reciprocal obligations upon the occurrence of an event of default.

Notwithstanding the above, netting, foreclosures and transfer title provisions may be subject to limitations when any of the parties is subject to Insolvency Proceeding. Article 116 of Law 26702 establishes that upon the commencement of Insolvency Proceedings it is generally prohibited to obtain payments from the insolvent bank or insurance companies, even by netting reciprocal obligations, foreclosure or transfer of property.

However, item 4 of Article 116 of Law 26702, expressly provides an exception to the stay imposed upon the commencement of Insolvency Proceedings, allowing Title Transfer Provisions to be enforceable as long as certain conditions (which are further described in paragraphs 4.1.3, 4.1.4 and 4.1.5 are satisfied). According to an amendment to the aforementioned legal provision (dated June 27, 2013), the netting shall include cash margins.

No amendments to the Title Transfer Provisions are necessary in order for the opinions expressed in this paragraph 3.7 to apply.

3.8 Use of security interest margin not detrimental to Title Transfer Provisions

In relation:

- 3.8.1 to a FOA Netting Agreement (with Title Transfer Provisions) and to a Clearing Agreement which includes the Title Transfer Provisions and the Non-Cash Security Interest Provisions (used with or without the Rehypothecation Clause) and/or the Client Money Additional Security Clause - whether the Default Margin Amount (as calculated pursuant to the terms of the Title Transfer Provisions) would be taken into account for the purposes of calculating the Liquidation Amount pursuant to the FOA Netting Provision; and
- 3.8.2 to the Clearing Agreement which includes the Title Transfer Provisions - whether the value of the Transferred Margin would be taken into account as part of the Relevant Collateral Value,

would be determined by reference to the governing law of the FOA Netting Agreement (with Title Transfer Provisions) and a Clearing Agreement which includes the Title Transfer Provisions, or by reference to the governing law of the place where the collateral is located. Further, our opinion at paragraph 3.7 remains true in relation to such a FOA Netting Agreement or Clearing Agreement.

3.9 Single Agreement

Under the laws of this jurisdiction it is necessary that the Transactions and the FOA Netting Agreement or, as the case may be, the Clearing Agreement are part of a single agreement in order for the termination and liquidation under the FOA Netting Provision to be enforceable. In our view, the FOA Netting Agreement or, as the case may be, the Clearing Agreement, and Transactions are part of a single agreement.

3.10 Automatic Termination

It is necessary for the Parties to agree to an automatic, rather than an optional, termination and liquidation under the FOA Netting Provision to ensure the effectiveness of netting under the FOA Netting Agreement in the event of bankruptcy, liquidation, or other similar circumstances. The reason for this is that under articles 106, 114 and 116 of Law 26702, a bank or insurance company shall cease to operate in the event of bankruptcy, liquidation or other similar circumstances, and therefore all of the Agreements it may have entered into are terminated as a matter of law.

3.11 Multibranch Parties

We do not consider that the use of the FOA Netting Agreement or, as the case may be, the Clearing Agreement by a Party with branches in a number of different jurisdictions, including some where netting may not be enforceable, would jeopardise the enforceability of the FOA Netting Provision, the FOA Set-Off Provisions, the Clearing Module Set-Off Provision or the Title Transfer Provisions insofar as the laws of this jurisdiction are concerned.

3.12 Insolvency of Foreign Parties

Where a Party is incorporated or formed under the laws of another jurisdiction and an Event of Default occurs in respect of such Party (a "**Foreign Defaulting Party**") there can be no separate Insolvency Proceedings in this jurisdiction in relation to the Foreign Defaulting Party and the authorities in this jurisdiction would defer to the proceedings in the Foreign Defaulting Party's home jurisdiction. Nevertheless, because Peruvian law governs the legal status of assets located within Peruvian territory, it could be possible that some secondary insolvency proceedings would need to be initiated in Peru to protect such assets and treat them in accordance with the laws of the foreign Default Part's home jurisdiction.

3.13 Special legal provisions for market contracts

There are no special provisions of law which would affect the opinions given in this paragraph 3 which would apply to a Transaction between two Parties as a result of the fact that such Transaction was entered into on, or is back-to-back with a Transaction entered into on an exchange (in this or another jurisdiction), or is cleared at, or is back-to-back with a transaction to be cleared by a central counterparty.

4. QUALIFICATIONS

The opinions in this opinion letter are subject to the following qualifications.

4.1 General qualifications

4.1.1 Where an obligation has been entered into (including under a Transaction or a transfer of Margin under the Title Transfer Provisions) after the commencement of Insolvency Proceedings in relation to a Party, any amount which is due in respect of such an obligation may not be capable of inclusion in the netting under the FOA Netting Provision, the Clearing Module Netting Provision, the Addendum Netting Provision, or a set-off under the FOA Set-Off Provisions, the Clearing Module Set-Off Provision or the Addendum Set-Off Provision, but this would not impair the effectiveness of the netting under the FOA Netting Provision, the Clearing Module Netting Provision, the Addendum Netting Provision, or a set-off under the FOA Set-Off Provisions, the Clearing Module Set-Off Provision or the Addendum Set-Off Provision in respect of amounts due in respect of Transactions entered into before the commencement of such Insolvency Proceedings.

- 4.1.2 If the obligations under the FOA Netting Agreement or, as the case may be, the Clearing Agreement are not "mutual" between the Parties, the FOA Netting Provision, the FOA Set-Off Provisions or the Clearing Module Set-Off Provision, may not be enforceable upon the opening of any Insolvency Proceedings. For these purposes, under the laws of this jurisdiction, obligations would not be regarded as "mutual" if they are not governed by one single master agreement and if they are not binding between the same Parties. However, the inclusion of amounts in respect of non-mutual obligations would not impair the effectiveness of the netting under the FOA Netting Provision or a set-off under the FOA Set-Off Provisions or the Clearing Module Set-Off Provision in respect of amounts due in respect of Transactions which are mutual.
- 4.1.3 The FOA Netting Agreement or the Clearing Agreement, as the case may be, shall provide that a consent between the Parties is required in order for any Party to be able to assign its rights under the FOA Netting Agreement or a Clearing Agreement or in order for any amendment to these agreements to be enforceable and binding amongst them..
- 4.1.4 The FOA Netting Agreement or the Clearing Agreement, as the case may be, must have been included by the *Superintendencia de Banca, Seguros y AFPs* (the "Peruvian Banking Regulator") in a list of approved master service agreements. The current list was approved by Circular No. G-155-2011 and was updated the last time on September 1, 2014 through SBS Resolution N° 5790-2014, but the FOA Netting Agreement and the Clearing Agreement are not included in that list.
- 4.1.5 Upon execution of a FOA Netting Agreement or a Clearing Agreement, as the case may be, the Party in this jurisdiction is obligated to file a copy of these agreements with the Peruvian Banking Regulator. This filing must be done before the occurrence of any Event of Default.

There are no other material issues relevant to the issues addressed in this opinion which we wish to draw to your attention.

For the purposes of this Schedule 1 (Companies/Corporations or Partnerships), "**Companies/Corporations or Partnerships**" means private entity created by more than one owner which contributes to such entity in order to pursue a common objective.

Except where the context otherwise requires, references in this Schedule to "*paragraph*" are to paragraphs in the opinion letter (but not to its Annexes or Schedules) and references to "*sections*" are to sections of this Schedule.

1. MODIFICATIONS TO TERMS OF REFERENCE AND DEFINITIONS

Paragraph 1.10.1 is deemed deleted and replaced with the following:

"Insolvency Proceedings" means the procedures listed in section 3.1 of Schedule 1 (Companies/Corporations or Partnerships)".

2. ADDITIONAL ASSUMPTIONS

None.

3. MODIFICATIONS TO OPINIONS

On the basis of the terms of reference and assumptions and subject to the qualifications (in each case set out in this opinion letter as modified, or added to, by this Schedule), we are of the following opinion.

3.1 Insolvency Proceedings: Companies/Corporations or Partnerships

The only bankruptcy, composition, rehabilitation or other insolvency or reorganisation procedures to which a Party which is a Company/Corporation or Partnerships could be subject under the laws of this jurisdiction, and which are relevant for the purposes of this opinion letter, are as follows:

Article 17.1 and 19.3 of the "Insolvency Law", approved by Act No. 27809.

3.3 Enforceability of FOA Netting Provisions

The FOA Netting Provisions will not be enforceable, as the Insolvency Law determines that on the date of the publication of the insolvency resolution, an automatic stay is imposed, which cause all of the debtors obligations to become unenforceable as article 1290 of the Peruvian Civil Code provides that unenforceable obligations cannot be subject to compensation.

3.5 Enforceability of the FOA Set-Off Provisions

The FOA Set-Off Provisions will not be enforceable, as the Insolvency Law determines that on the date of the publication of the insolvency resolution, an automatic stay is imposed, which cause all of the debtors obligations to become unenforceable as article 1290 of the Peruvian Civil Code provides that unenforceable obligations cannot be subject to compensation.

- b) **Calculation of Liquidation Amount:** Upon the occurrence of a Liquidation Date:
 - i. (neither party shall be obliged to make any further payments or deliveries under any Netting Transactions which would, but for this clause, have fallen due for performance on or after the Liquidation Date and such obligations shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Liquidation Amount;
 - ii. the Non-Defaulting Party shall as soon as reasonably practicable determine (discounting if appropriate), in respect of each Netting Transaction referred to in paragraph (i), the total cost, loss or, as the case may be, gain, in each case expressed in the Base Currency specified by the Non-Defaulting Party as such in the Individually Agreed Terms Schedule as a result of the termination, pursuant to this Agreement, of each payment or delivery which would otherwise have been required to be made under such Netting Transaction; and
 - iii. the Non-Defaulting Party shall treat each such cost or loss to it as a positive amount and each such gain by it as a negative amount and aggregate all such amounts to produce a single, net positive or negative amount, denominated in the Non-Defaulting Party's Base Currency (the "Liquidation Amount").
- c) **Payer:** If the Liquidation Amount is a positive amount, the Defaulting Party shall pay it to the Non-Defaulting Party and if it is a negative amount, the Non-Defaulting Party shall pay it to the Defaulting Party. The Non-Defaulting Party shall notify the Defaulting Party of the Liquidation Amount, and by which Party it is payable, immediately after the calculation of such amount."

2. General Set-Off Clause:

"Set-off: Without prejudice to any other rights to which we may be entitled, we may at any time and without notice to you set off any amount (whether actual or contingent, present or future) owed by you to us against any amount (whether actual

or contingent, present or future) owed by us to you. For these purposes, we may ascribe a commercially reasonable value to any amount which is contingent or which for any other reason is unascertained."

3. **Margin Cash Set-Off Clause:**

"Set-off upon default or termination: If there is an Event of Default or this Agreement terminates, we may set off the balance of cash margin owed by us to you against your Obligations (as reasonably valued by us) as they become due and payable to us and we shall be obliged to pay to you (or entitled to claim from you, as appropriate) only the net balance after all Obligations have been taken into account. [The net amount, if any, payable between us following such set-off, shall take into account the Liquidation Amount payable under the Netting Module of this Agreement.]"

4. **Insolvency Events of Default Clause:**

"The following shall constitute Events of Default:

- i. a party commences a voluntary case or other procedure seeking or proposing liquidation, reorganisation, moratorium, or other similar relief with respect to itself or to its debts under any bankruptcy, insolvency, regulatory, or similar law or seeking the appointment of a trustee, receiver, liquidator, conservator, administrator, custodian, examiner or other similar official (each a "**Custodian**") of it or any substantial part of its assets, or takes any corporate action to authorise any of the foregoing;

5. **Title Transfer Provisions:**

- a) **Default:** If a Liquidation Date is specified or deemed to occur as a result of an Event of Default, the Default Margin Amount as at that date will be deemed to be [a gain (if we are the Non-Defaulting Party) or a cost (if you are the Non-Defaulting Party)] [a gain by us] for the purposes of calculating the Liquidation Amount. For this purpose, "**Default Margin Amount**" means the amount, calculated in the Base Currency of the aggregate value as at the relevant Liquidation Date (as determined by us) of the Transferred Margin.
- b) **Clean title:** Each party agrees that all right, title and interest in and to any Acceptable Margin, Equivalent Margin, Equivalent Dividends or Interest which it Transfers to the other party shall vest in the recipient free and clear of any security interest, lien, claims, charges, encumbrance or other restriction. 2. the value of each such terminated Client Transaction for the purposes of calculating the applicable Cleared Set Termination Amount and Aggregate Transaction Values will be equal to the relevant [Firm/CM]/CCP Transaction Value or relevant part thereof;
3. the applicable Cleared Set Termination Amount will be determined by [Firm/Clearing Member] on, or as soon as reasonably practicable after, (x) if there were no outstanding Client Transactions immediately prior to the occurrence of a CCP Default, the date on which the CCP Default occurred, or (y) if there were outstanding Client Transactions

immediately prior to the occurrence of a CCP Default, the day on which the relevant Client Transactions had all been terminated and, in either case, will be an amount equal to the sum, but without duplication, of (1) the Aggregate Transaction Value, (2) any amount which became payable, or which would have become payable but for a condition precedent not being satisfied, in respect of any such Client Transaction on or prior to the termination of such transactions but which remains unpaid at the time of such termination, together with interest on such amount in the same currency as such amount for the period from, and including, the original due date for payment to, but excluding, the date of termination, if applicable (expressed as a positive amount if such unpaid amount is due from [Firm/Clearing Member] to Client and as a negative amount if such unpaid amount is due from Client to [Firm/Clearing Member]), (3) an amount [(which may be zero)] equal to the Relevant Collateral Value in respect of the relevant Client Transactions and (4) any other amount attributable to the relevant Client Transactions under the Clearing Agreement[and any related Collateral Agreement], pro-rated where necessary if such amount can be partially [attributable] to transactions other than the relevant Client Transactions, which was payable but unpaid at the time of termination and is not otherwise included in [Clauses 5.3.3(1) to 5.3.3(3)] [Sections 8(c)(iii)(1) to 8(c)(iii)(3)], together with interest on such amount in the same currency as such amount for the period from, and including, the original due date for payment to, but excluding, the date of termination, if applicable (expressed as a positive amount if such unpaid amount is due from [Firm/Clearing Member] to Client and as a negative amount if such unpaid amount is due from Client to [Firm/Clearing member]);

4. if a Cleared Set Termination Amount is a positive number, it will be due from [Firm/Clearing Member] to Client and if a Cleared Set Termination Amount is a negative number, the absolute value of the Cleared Set Termination Amount will be due from Client to [Firm/Clearing Member], and in each case will be payable, in accordance with this [Module/Addendum].

c) Hierarchy of Events

[If Client Transactions are capable of being terminated pursuant to more than one [Clause/Section], then the [clause/section] in respect of which a party first exercises any right to terminate Client Transactions (or, the [clause/section] pursuant to which Client Transactions are otherwise terminated, if earlier) will prevail for the purposes of the relevant Client Transactions.]

Or

[If Client Transactions are capable of being terminated pursuant to more than one [Clause/Section], then the [clause/section] in respect of which a party first exercises any right to terminate Client Transactions (or, the [clause/section] pursuant to which Client Transactions are otherwise terminated, if earlier) will prevail for the purposes of the relevant Client Transactions.]

Or

[If Client Transactions are capable of being terminated pursuant to more than one [Clause/Section], then the [clause/section] in respect of which a party first exercises any right to terminate Client Transactions (or, the clause pursuant to which Client Transactions are otherwise terminated, if earlier) will prevail for the purposes of the relevant Client Transactions.]

d) Definitions

"Aggregate Transaction Value" means, in respect of the termination of Client Transactions of a Cleared Transaction Set, an amount (which may be positive or negative or zero) equal to the aggregate of the [Firm/CM]/CCP Transaction Values for all Client Transactions in the relevant Cleared Transaction Set or, if there is just one [Firm/CM]/CCP Transaction Value in respect of all such Client Transactions, an amount (which may be positive or negative or zero) equal to such [Firm/CM]/CCP Transaction Value.

"[Firm/CM]/CCP Transaction Value" means, in respect of a terminated Client Transaction or a group of terminated Client Transactions, an amount equal to the value that is determined in respect of or otherwise ascribed to the related [Firm/CM]/CCP Transaction or group of related [Firm/CM]/CCP Transactions in accordance with the relevant Rule Set following a [Firm/CM] Trigger Event or CCP Default (to the extent such Rule Set contemplates such a value in the relevant circumstance). If the value determined in respect of or otherwise ascribed to the related [Firm/CM]/CCP Transaction(s) under the relevant Rule Set reflects a positive value for [Firm/Clearing Member] vis-à-vis the Agreed CCP, the value determined in respect of such terminated Client Transaction(s) will reflect a positive value for Client vis-à-vis [Firm/Clearing Member] (and will constitute a positive amount for any determination under this [Module/Addendum]) and, if the value determined in respect of the related terminated [Firm/CCP]/CCP Transaction(s), under the relevant Rule Set reflects a positive value for the relevant Agreed CCP vis-à-vis [Firm/Clearing Member], the value determined in respect of [or otherwise ascribed to] such terminated Client Transaction(s) will reflect a positive value for [Firm/Clearing Member] vis-à-vis Client (and will constitute a negative amount for any determination under this [Module/Addendum]). The value determined in respect of or otherwise ascribed to the related [Firm/CM]/CCP Transaction(s) under the relevant Rule Set may be equal to zero.

"Relevant Collateral Value" means, in respect of the termination of Client Transactions in a Cleared Transaction Set, the value (without applying any "haircut" but otherwise as determined in accordance with the [Agreement/Collateral Agreement]) of all collateral that:

- (a) is attributable to such Client Transactions;
- (b) has been transferred by one party to the other in accordance with the [Agreement/Collateral Agreement or pursuant to Section 10(b)] and has not been returned at the time of such termination or otherwise

applied or reduced in accordance with the terms of the [Agreement/relevant Collateral Agreement]; and

(c) is not beneficially owned by, or subject to any encumbrances or any other interest of, the transferring party or of any third person.

The Relevant Collateral Value will constitute a positive amount if the relevant collateral has been transferred by Client to [Firm/Clearing Member] and it or equivalent collateral has not been returned at the time of termination or otherwise applied or reduced in accordance with the terms of the [Agreement/Collateral Agreement] and a negative amount if the relevant collateral has been transferred by [Firm/Clearing Member] to Client and it or equivalent collateral has not been returned at the time of termination or otherwise applied or reduced in accordance with the terms of the [Agreement/Collateral Agreement].

7. Clearing Module Set-Off Provision

Firm may at any time and without notice to Client, set-off any Available Termination Amount against any amount (whether actual or contingent, present or future) owed by Firm to Client under the Clearing Agreement or otherwise. For these purposes, Firm may ascribe a commercially reasonable value to any amount which is contingent or which for any other reason is unascertained.

This Clause shall apply to the exclusion of all Disapplied Set-off Provisions in so far as they relate to Client Transactions; provided that, nothing in this Clause shall prejudice or affect such Disapplied Set-off Provisions in so far as they relate to transactions other than Client Transactions under the Agreement.

8. Addendum Set-Off Provision

(i) Any Available Termination Amount will, at the option of (A) Client, in the case of an Available Termination Amount due in respect of a CM Trigger Event and without prior notice to Clearing Member, be reduced by its set-off against any other termination amount payable by Clearing Member to Client under the Clearing Agreement at such time ("CM Other Amounts"), or (B) either party, in the case of an Available Termination Amount due in respect of a CCP Default, and without prior notice to the other party, be reduced by its set-off against any other termination amount payable by or to X (where "X" means, in the case of Section 8(i)(A), Client or, in the case of Section 8(i)(B), the party electing to set off) under the Clearing Agreement at such time ("EP Other Amounts" and together with CM Other Amounts, "Other Amounts"), provided that in the case of Section 8(i)(A) or Section 8(i)(B), at the time at which X elects to set off, where Clearing Member is X, a CM Trigger Event has not occurred and is not continuing or, where Client is X, an event of default, termination event or other similar event, howsoever described, in respect of Client in the Agreement, has not occurred and is not continuing. To the extent that any Other Amounts are so set off, those Other Amounts will be discharged promptly and in all respects. X will give notice to the other party promptly after effecting any set-off under Section 8(i)(A) or Section 8(i)(B).

(ii) For the purposes of this Section 8(ii):

- (A) all or part of the Available Termination Amount or the Other Amounts (or the relevant portion of such amounts) may be converted by X into the currency in which the other amount is denominated at the rate of exchange at which such party would be able, in good faith and using commercially reasonable procedures, to purchase the relevant amount of such currency;
- (B) if any Other Amounts are unascertained, X may in good faith estimate such Other Amounts and set off in respect of the estimate, subject to the relevant party accounting to the other when such Other Amounts are ascertained; and
- (C) a "termination amount" may, for the avoidance of doubt, be another Cleared Set Termination Amount or another termination amount due under the Agreement including, in either case, any such amount that has previously been reduced in part by set-off pursuant to this Section 8(e).

(iii) Nothing in this Section 8(e) will be effective to create a charge or other security interest. This Section 8(e) will be without prejudice and in addition to any right of set-off, offset, combination of accounts, lien, right of retention or withholding or similar right or requirement to which Client or Clearing Member is at any time otherwise entitled or subject (whether by operation of law, contract or otherwise), provided that, notwithstanding anything to the contrary in the Clearing Agreement or any related Collateral Agreement, no party may exercise any rights of set-off in respect of Excluded Termination Amounts.
