You have asked us to give an opinion in respect of the laws of the Republic of Panama ("**this jurisdiction**") in respect of the Security Interests given under Agreements in the forms specified in Annex 1 to this opinion letter (each an "**Agreement**") or under an Equivalent Agreement (as defined below).

Terms used in this opinion letter and not otherwise defined herein shall have the meanings ascribed to them in the Agreement.

We understand that your fundamental requirement is for the effectiveness of the Security Interest Provisions of the Agreement to be substantiated by a written and reasoned opinion. Our opinion on the validity of the Security Interest Provisions is given in paragraph 3 of this opinion letter.

References herein to "*this opinion*" are to the opinions given in paragraph 3.

insofar as each may act as a counterparty (a "**Counterparty**") providing Collateral. This opinion is given in respect of cash and account-held securities which are the subject of the Security Interest Provisions ("**Collateral**"). The amount and value of such Collateral may fluctuate from time to time on a day to day, and possibly intra-day basis to a member firm of the Future and Options Association (each a "**Firm**") under an Agreement.

1.2. However, this opinion is also given in respect of Counterparties providing Collateral to a Firm that are any of the following, subject to the terms of reference, definitions, modifications and additional assumptions and qualifications set out in the applicable Schedule:

1.2.1 Individuals regulated by the Civil Code and the Commercial Code (the latter in the event that the individuals are acting as merchants.)

1.4 In this opinion letter:

1.4.1 "**Security Interest**" means the security interest created pursuant to the Security Interest Provisions;

1.4.2 "**Insolvency Proceeding**" means insolvency, bankruptcy or analogous proceedings (where, for the purposes of paragraph 3 of this opinion, the occurrence of such proceedings in respect of the Counterparty falls within the definition of Event of Default under the Agreement)

1.4.3 "**Equivalent Agreement**" means an agreement:

- (a) which is governed by the law of England and Wales;
- (b) which has broadly similar function to any of the Agreements listed in Annex 1;
- (c) which contains the Core Provisions (with no amendments, or with Non-material Amendments); and
- (d) which neither contains (nor is modified, amended, or superseded by) any other provision which may invalidate, adversely affect, modify, amend, supersede, conflict with, provide alternatives to, compromise or fetter the operation, implementation, enforceability and effectiveness of all or part of the Core Provisions (in each case, excepting Non-material Amendments);

References to the "**Agreement**" in this letter (other than specific cross references to clauses in such Agreement and references in the first paragraph of this letter) shall be deemed also to apply to an Equivalent Agreement;

1.4.4 A "**Non-material Amendment**" means an amendment having the effect of one of the amendments set out at Annex 3;

1.4.5 "**enforcement**" means, in the relation to the Security Interest, the act of:

1.4.6 in other instances other than those referred to "enforcement" means, in the relation to the Security Interest, the ability of a Party to exercise its contractual rights in accordance with their terms and without risk of successful challenge. We do not opine on the availability of any judicial remedy;

1.4.7 terms defined or given a particular construction in the Agreement have the same meaning in this opinion letter unless a contrary indication appears;

1.4.8 any reference to any legislation (whether primary legislation or regulations or other subsidiary legislation made pursuant to primary legislation) shall be construed as a reference to

such legislation as the same may have been amended or re-enacted on or before the date of this opinion letter;

1.4.9 certain terms relating specifically to the Agreement or to the provisions thereof are set out at Annex 2; and

1.4.10 headings in this opinion letter are for ease of reference only and shall not affect its interpretation.

1.4.11 references to "Core Provisions" include Core Provisions that have been modified by Non-Material Amendments as defined herein.

## **2. ASSUMPTIONS**

We assume the following:

2.1 That the Agreements are legally binding and enforceable against both Parties under their governing laws.

2.2 That no provision of the Agreement that is necessary for the giving of our opinions and advice in this opinion letter has been altered in any material respect. In our view, an alteration contemplated in the definition of "Equivalent Agreement" above would not constitute a material alteration for this purpose. We express no view whether an alteration not contemplated in the definition of Equivalent Agreement would or would not constitute a material alteration of the Agreement.

2.3 That the Security Interest Provisions are enforceable under the governing law of the Agreement to create a Security Interest.

2.4 That the Security Interest Provisions are effective under the law of the place where the Collateral is located to create an enforceable security interest.

2.5 That each Party has the capacity, power and authority under all applicable law(s) to enter into the Agreement; to perform its obligations under the Agreement; and that each Party has taken all necessary steps to execute, deliver and perform the Agreement.

2.6 That each Party has obtained, complied with the terms of and maintained all authorizations, approvals, licenses and consents required to enable it lawfully to enter into and perform its obligations under the Agreement and Transactions and to ensure the legality, validity, enforceability or admissibility in evidence of the Agreement in this jurisdiction.

2.7 That the Agreement has been properly executed by both Parties.

2.8 That the Agreement is entered into prior to the commencement of any Insolvency Proceedings in respect of either Party.

2.9 The Agreement has been entered into, and each of the transactions referred to therein is carried out, by each of the parties thereto in good faith, for the benefit of each of them respectively, on arms' length commercial terms and for the purpose of carrying on, and by way of, their respective businesses.

2.10 That the Agreement accurately reflects the true intentions of each Party.

2.11 That no provisions of the Agreement, or a document of which the Agreement forms part, or any other arrangement between the Parties, invalidate the enforceability or effectiveness of the Security Provisions or the Rehypothecation Clause under the governing law of the Agreement.

2.12 That there is no other agreement, instrument or other arrangement between the Firm and the Counterparty which modifies or supersedes the Agreement.

2.13 That all acts, conditions or things required to be fulfilled, performed or effected in connection with the Agreement and the creation and perfection of the security interests thereunder pursuant to laws of any jurisdiction other than this jurisdiction have been duly fulfilled, performed and effected.

2.14 That there are no provisions of the laws of any jurisdiction (apart from this jurisdiction) which would be contravened by the execution or the delivery of the Agreement.

2.15 That any accounts and the assets expressed to be subject to a Security Interest pursuant to the Security Provisions shall at all relevant times be located outside this jurisdiction.

2.16 That any cash comprising the Collateral is in a currency that is freely transferable internationally under the laws of all relevant jurisdictions.

### **3. OPINIONS**

On the basis of the foregoing terms of reference and assumptions and subject to the qualifications set out in paragraph 4 below, we are of the following opinion.

#### **3.1 Valid Security Interest**

3.1.1 Following the occurrence of an Event of Default, including as a result of the opening of any Insolvency Proceedings, the Non-Defaulting Party would be entitled to enforce the Security Interest in respect of the Collateral.

3.1.2 There is no rule of the laws of this jurisdiction which would impose a moratorium or stay which would prevent, delay or otherwise affect the right of the Non-Defaulting Party to enforce the Security Interest in respect of the Collateral.

#### **3.2 Further acts**

No further acts, conditions or things would be required by the law of this jurisdiction to be done, fulfilled or performed under the laws of this jurisdiction in order to enable the Non-Defaulting Party to enforce the Security Interest in respect of the Collateral.

#### 4. QUALIFICATIONS

There are no other material issues relevant to the issues addressed in this opinion letter which we draw to your attention.

This opinion is given for the sole benefit of the Futures and Options Association and such of its members (excluding associate members) as subscribe to the Futures and Options Association's opinions library (and whose terms of subscription give them access to this opinion). This opinion may not be relied upon by any other person unless we otherwise specifically agree with that person in writing, although we consent to it being shown to such Futures and Options Association members' affiliates (being members of such persons' groups, as defined by the UK Financial Services and Markets Act 2000) and to any competent authority supervising such member firms and their affiliates in connection with their compliance with their obligations under prudential regulation.

## **SCHEDULE 1**

### **Individuals**

Subject to the modifications and additions set out in this Schedule 1, the opinions, assumptions and qualifications set out in this opinion letter will also apply in respect of Parties which are Individuals. For the purposes of this Schedule 1, "**INDIVIDUALS**" means any natural person belonging to the human species, no matter their age, gender, lineage or condition. .

Except where the context otherwise requires, references in this Schedule to "*paragraph*" are to paragraphs in the opinion letter (but not to its Annexes or Schedules) and references to "*sections*" are to sections of this Schedule.

### **1. MODIFICATIONS TO TERMS OF REFERENCE AND DEFINITIONS**

N/A

### **2. ADDITIONAL ASSUMPTIONS**

We assume that the individuals which sign the Agreements have legal capacity to execute agreements and are not individuals without legal capacity pursuant Article 1114 of the Civil Code such as: under ages non emancipated, insane persons, deaf-mute persons that does not know how to write.

### **3. MODIFICATIONS TO OPINIONS**

On the basis of the terms of reference and assumptions and subject to the qualifications (in each case set out in this opinion letter as modified, or added to, by this Schedule), we are of the following opinion.

#### **3.1 Valid Security Interest**

3.1.1 Following the occurrence of an Event of Default, including as a result of the opening of any Insolvency Proceedings, the Non-Defaulting Party would be entitled to enforce the Security Interest in respect of the Collateral.

3.1.2 There are no rules of law in this jurisdiction which would impose a moratorium or stay which would prevent, delay or otherwise affect the right of the Non-Defaulting Party to enforce the Security Interest in respect of the Collateral.

3.1.3 However, it is important to mention that in the Republic of Panama, individuals (unless the individual operates as a merchant) are not subject to insolvency proceedings rules as regulated by the Commercial Code. In this respect individuals would only be subject to a proceeding known as Creditors Committee Proceedings regulated by the Judicial Code.

## SCHEDULE 2

### Sovereigns and Public Sector Entities

Subject to the modifications and additions set out in this Schedule 2, the opinions, assumptions and qualifications set out in this opinion letter will also apply in respect of Parties which are Sovereign and Public Sector entities. For the purposes of this Schedule 2, "**SOVEREIGN AND PUBLIC SECTOR ENTITIES**" means all the Ministries, Municipalities, Autonomous entities, semi-autonomous entities as regulated by the Political Constitution of the Republic of Panama and by their own local regulations

Except where the context otherwise requires, references in this Schedule to "*paragraph*" are to paragraphs in the opinion letter (but not to its Annexes or Schedules) and references to "*sections*" are to sections of this Schedule.

#### 1. MODIFICATIONS TO TERMS OF REFERENCE AND DEFINITIONS

N/A

#### 2. ADDITIONAL ASSUMPTIONS

We assume that the execution of the Agreement has complied with all the formalities required to be followed when an agreement is signed with a sovereign and public sector entity.

#### 3. MODIFICATIONS TO OPINIONS

On the basis of the terms of reference and assumptions and subject to the qualifications (in each case set out in this opinion letter as modified, or added to, by this Schedule), we are of the following opinion.

##### 3.1 Valid Security Interest

3.1.1 Following the occurrence of an Event of Default, including as a result of the opening of any Insolvency Proceedings, the Non-Defaulting Party would be entitled to enforce the Security Interest in respect of the Collateral.

3.1.2 However, it is important to mention that in Panama, sovereigns and public sector entities have special judicial privileges pursuant to Article 1939 of the Judicial Code. In this regard the collateral over cash or securities belonging to those entities can be enforced, albeit said cash or securities cannot be subject to seizure pursuant Article 1650 of the Judicial Code.

3.1.3 The above mentioned means, that there can be a stays or delays on the enforcement of the collateral since the cash or security given in collateral cannot be immediately seized and the creditor would not be able to collect said cash or security in an expedite manner.
